CERTIFICATIONS & AWARDS

- Technology Software Development Job Simulation – Forage (June 2026)
- Technology Job Simulation – Deloitte (Forage) (June 2026)
- Participated in college-level hackathons and technical project expos

PROFESSIONAL SUMMARY

Motivated Java developer with experience in building full-stack and GUI-based applications using Java Swing, JavaFX, Spring Boot, and MySQL. Passionate about developing clean UIs, solving real-world problems, and continuously enhancing technical skills through hands-on projects.

EXPERIENCE

Project Developer (Academic Projects)

- Collaborated on several academic Java-based applications
- Designed UI with Swing, managed backend logic, debugging, and documentation
- Followed Agile mini-sprint methodologies for continuous integration and testing.

PROJECTS

- Resume Builder (Java Swing): Developed a GUI-based application that enables users to create, edit, and export professional resumes with an intuitive interface and customizable sections.
- File Share Web App (CodeShare Clone) (In Progress) : Developing a secure full-stack file-sharing app without login. Frontend: HTML, CSS, JS | Backend: Spring Boot & REST APIs
- Library Management System (Java, MySQL): Developed a desktop application to manage books, members, and issue/return records with a user-friendly interface, secure authentication, and CRUD operations.

EDUCATION

- Bachelor of Technology (B.Tech) SISTec, Bhopal – Sagar Group of Institutions June 2023 – June 2027 | Bhopal, Madhya Pradesh
- Senior Secondary (12th) & Secondary (10th) Mukhi ram college, Thawe 2021 – 2023
